Welch Allyn SureTemp® Plus 690 Electronic Thermometer

Now taking temperatures is easier, safer and more accurate.

The Welch Allyn SureTemp Plus 690 is one of the fastest, most reliable and accurate thermometers ever developed for small and large animals alike, providing you with a 10- to 13-second rectal temperature measurement. Simple, yet sophisticated, it has an easy-to-read LCD display, leaving your hands free to work with your patients, and the interchangeable, removable probe well reduces the risk of cross-contamination.

WelchAllyn®

Advancing Frontline Care™

The SureTemp® Plus 690 Electronic Thermometer
